***** *President's Report* *****

Greetings Model Citizens!

Wow! Here we are at the end of 2012 already! This has been one heck of a fast year. This has been my first year of retirement and now I fully understand the term "fixed income". Most of my time this year has been devoted toward getting a music career going, and while not a gangbuster year, at least it is finishing on a positive note with some good stuff to come in 2013. I didn't think I had much model time this year but on looking back I found that I completed seven models, including the two commissioned military dioramas; I guess that's not bad.

It was great seeing all of the End of Year models at last November's meeting. Our club is honored to have so many talented modelers. I'm looking forward to the annual Christmas meeting next month. Don't forget to bring a wrapped kit for the gift exchange if you want to participate. We will also be confirming club officers for the coming two years, handing out the End of Year awards, and of course, and consuming pizza! See you all there on Dec. 10 and I hope you all have a wonderful New Year!

As the club gets ready to choose a 'Same Kit' subject for 2013, I thought it might be interesting to research our past choices & relate them to the club. We started this tradition in 1987. Here they are.

- | | |
|------------------------------------|-------------------------|
| '87: '66 Ford Galaxie | '00: '64 Ford Galaxie |
| '88: '69 Olds Cutlass/'88 Chevy PU | '01: '57 Chrysler |
| '89: '67 Chevy Nova | '02: '40 Willys |
| '90: '53 Studebaker | '03: '56 Chevy |
| '91: '55 Chevy | '04: Mini Cooper |
| '92: '49 Mercury | '05: '69 Corvair |
| '93: '66 Ford Fairlane | '06: '66 Chevelle Wagon |
| '94: '62 Chevy | '07: '40 Ford Standard |
| '95: '68 GTX | '08: '49 Mercury |
| '96: '50 Ford PU | '09: '70 Mustang |
| '97: '32 Ford | '10: '32 Ford |
| '98: Corvette | '11: Midget Racer |
| '99: '53 Ford | '12: '55 Chrysler |

As you can see....26 years, 27 different models. For some reason in 1988 we decided to have two different 'Same Kit' models. Whatever we choose for '13, I hope that we have more participation.
